

Thank you for contacting Millennium Medical Care to obtain a copy of your medical records.

Millennium Medical Care partners directly with Verisma to ensure a seamless and secure medical record request process, specifically for you, the patient.

Please click the link below to initiate a medical records request through Verisma.

<u>Request Type</u>	<u>Link</u>
<u>Patient – English</u>	<u>https://verisma.com/requestor-support-center/patient-record-request/</u>
<u>Patient – Spanish</u>	<u>https://verisma.com/requestor-support-center/patient-record-request-spanish/</u>

Once your request is processed, you will receive notification and instructions on receiving the requested records. Questions regarding the status of your request can be submitted by emailing Status@verisma.com and mmcare4u@gmail.com. You should receive a response from a representative shortly. If you do not get a response from Status@verisma.com, please escalate to mmcare4u@gmail.com or send a secure text to 703-260-9901

Please note that only patients can complete this form and indicate where they want the records to be sent if they are to be sent to a third party.

For attorneys, third parties, or insurance companies requesting medical records for their clients or other parties, please obtain a signed authorization from the patient and email it to mmcare4u@gmail.com or fax it to the location fax number found on our website: <https://millenniummedicalcare.com/>
